Sock Sizing Guide

SmartKnitKIDS® Seamless Sensitivity Socks

Crew Fit (to fit to mid calf):

| | |
|-------------------------|------------------------------|
| Small (S) | UK Infant to size 3 (Eur 20) |
| Medium (M) | UK 3 to 7 (Eur19-24) |
| Large (L) | UK 7 to 11 (Eur 24-30) |
| Extra Large(XL) | UK 12 to 3 (Eur 31-36) |
| Extra Extra Large (XXL) | UK 4 to 7 (Eur 37-40) |

These socks have no heel pocket so as the foot gets bigger, the sock just gets slightly shorter over time. So, for Ankle length buy one size smaller, for Knee length two sizes larger.

SmartKnitBIGKIDS® Seamless Socks

For bigger kids with sensitive feet.....

| | |
|-------------|----------------------------|
| Small fits | UK 3 to 6.5 (Eur 35 to 39) |
| Medium fits | UK 7 to 9 (Eur 40-43.5) |
| Large fits | UK 9.5 Plus (Eur 44+) |

As with all truly seamless socks - if you want a longer sock try the next size up, or for shorter socks the next size down. These socks are also useful for wider shoe fittings.

Sizing and Fitting Guide

“Help!!!! I’ve got these special socks but cant get my child to try them.” Dont lose hope, you’re nearly there!! Find extra tips at www.sensorysmart.co.uk on the links and resources pages. We always recommend introducing the socks at a time when there is no pressure for your child to keep them on (eg. bedtime after shower). First explore with hands to show no seams/flat seams, then put on foot for count of ten and, crucially, take off before asking how it felt. This takes all the pressure off for skin-sensitive children and often they will then be happy to lay the socks they’ve chosen out for ‘school run tomorrow’.
